- Liturgical Flowers
- Gardening Groups
- Food Bank
- Host Cuppas after Mass
- Youth Group
- Anointing Mass
- St Vincent de Paul

### Catholic Parish of Holy Spirit & St Anthony

Welcome to week three of our Parish Stewardship Program.

This week celebrates the role of our parish as a community of faith – as an authentic community where people are welcomed, known and loved.

It is a place of care, support and outreach – with a clear mission to live the values of the Gospel.

This means that we all have a responsibility to use our gifts and talents for the benefit of others – making our time available to be involved in one of our many groups and ministries. We all have a contribution to make – so have a look at the "Groups & Ministries" list to see what best suits you.

At Masses this weekend we will hear from members of the Parish Leadership team who will talk about the impact our faith and our parish has made in their lives and how important it is for us all to make our contributions to parish life.

### Thoughts from our Leadership Team

*Why is it important to be involved in Parish Groups and Ministries?*

"Have always had some involvement in the parish since returning to the parish and I have always found it to be very rewarding"

"It's an important part of outreach to become involved and provide practical financial and spiritual help to others - giving someone a helping hand or a smile, will be returned 10 fold"

"Our community is the body of Christ/the presence of Jesus in our local area. Our groups and ministries are the way we bring God's love to the people in our community to one another"

"When I am actively involved it means that my faith is challenged to be a supportive member of the community to all visitors - regulars and the wider community"
